

## Define your style

Life happens on your floors, from little feet racing through the hallway to paws curled up for an afternoon nap. That's why our floors are designed to be as practical as they are beautiful.

Every Karndean floor is built for real life. Durable enough to handle busy family living, easy to clean without harsh chemicals, and comfortable underfoot, warmer and softer than many natural surfaces. It's flooring designed to look good for years to come, so you can focus on the moments that matter.

Luxury vinyl flooring requires no sanding or refinishing, unlike timber, which needs periodic recoating, or engineered wood, which often can't be restored once worn. With a commercial-grade wear layer and K-Guard+® surface protection, these floors resist indentation, stains, and are water resistant, keeping their "like new" appearance for years and reducing repair or replacement costs over time.

## Helpful resources

### Caring for your floor

Regular cleaning with a pH-7-neutral cleaner such as Karndean Clean will help keep your floor at its best.

### Download our brochures

Browse our range of brochures and guides. Scan the QR code to view online, download a digital copy, or request a free hardcopy from our design consultants.

### Find an expert stockist

Select a retailer to guide you through the most suitable flooring options for your home. Schedule a free in-home measurement and quote to make an informed decision.

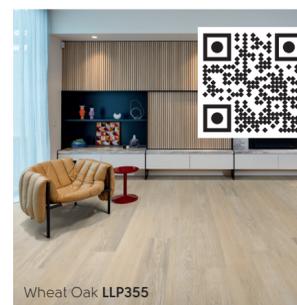

### Lifetime warranty

A 35-year transferable warranty, safeguards against manufacturing faults and defects, adds value to the home and provides long-term protection compared to floors that need periodic refinishing. Warranty stays with the home, supporting resale value, and future owners peace of mind.

## Interior trends

We've delved into the ever-evolving desires and needs of homeowners. Whether you're considering a home renovation or seeking innovative flooring solutions, we've identified distinctive interior design trends, each centred around themes that resonate with those in search of home décor and design inspiration.

## Installing Karndean flooring?

We know that choosing a floor that suits you and your home can be challenging. That's why we offer our beautiful design led vinyl floors in either loose lay, rigid core hybrid or gluedown. Your installer or retailer will be able to discuss which options are suitable for your space.

Take a look at our installation wall showcasing examples of subfloor requirements by format.

It is recommended that when selecting flooring products, you verify compliance with building regulations and certification practices relevant to your local area.

Our floors resist moisture, avoid swelling, cracking, and warping, ensuring long-lasting durability, we don't however recommend LVT flooring for wet areas.

## Welcome to our showroom

Welcome to our showroom, a space designed to inspire your project. Start by exploring our wall displays, then walk around the floors beneath your feet to see how our designs come to life in larger layouts. And don't forget to pick up free samples to take home.

## What's on the wall?

Our wall displays flow from cool to warm tones, helping you explore how different woods and stones could transform your space. Each board has a coloured sticker to show which Karndean range it belongs to.

### Look out for...

designs which carry extra stamps on their display boards:

Captures the character of Australia's native wood species with authentic designs.

Shows designs with more tonal and grain variation, perfect if you love a natural, character-rich look.

## What's on the floor?

As you explore, the floor beneath your feet becomes a living gallery of our designs. Each area is colour-coded on the map and numbered to make it easy to match with the product list in this guide. You'll also find samples on our display shelves, and our friendly Design Consultants are here if you'd like some guidance along the way.

Our Van Gogh and Knight Tile ranges are available in both **gluedown** and **rigid core** formats, so you can choose the same look in the format that suits your home best. Look for the red and green stickers on our displays to spot where a design is offered in both options.

**Karndean evolve**  
Taking action. Creating change.  
It's a new day. And we're creating a better tomorrow.

Our sustainability programme drives six priorities:

- Confronting climate change
- Health & wellbeing
- Sustainable use of resources
- Inclusion & Diversity
- Supply chain transparency
- Education

**Imagery and Design Reproduction**  
Photography and print cannot always produce a perfect representation of our products. This includes colour, pattern variation and installation elements used. For this reason we strongly recommend obtaining a product sample and where possible viewing a larger sample in-store. We also recommend visiting our website for information on installation, after care and product selection. We love developing new ideas and improving on our existing designs which means that sometimes products are withdrawn at short notice. We hate to disappoint and will work with you to find an alternative design. Please contact Customer Service for more information. All Karndean range and format credentials are at our certification policy level – please check for the current certification status.
